

# KINDER KAPER

## May 2024

What a wonderful spring we're having at God's House. Our Art Show was a great success! We **raised over \$9,000**, and we thank all of you who came to support us. We'd especially like to thank the many people who helped make it a success: our teachers, our wonderful Room Moms for the beautiful baskets and especially Rosalie Baxter, Collier Peavy, Elizabeth Ogle, Lydia Shows, Amanda Amerson & Elizabeth Hollis for their help with the amazing decorations. We also want to thank the church members who helped as well! It was so much fun seeing all our students and families together. We are so grateful to all of you for your generous support of God's House! The Lord has blessed us greatly.

The Four and Five year old classes have been hard at work with Mrs. Sky preparing their music for the program on **May 15**. After the children present their program, we will have a quick intermission and the four year old classes will be dismissed. We will then present diplomas to our 5K graduating class, and they will join the reception immediately following. Parents of 4's and 5's: please remember to check your child's folder for information regarding the reception. Parents will help provide the food for the reception.

The last day of preschool classes will be **Friday, May 17**. For those enrolled in daycare, we will be open as usual on **Monday, May 20**. God's House will be **closed Monday, May 27** for Memorial Day. The first day of our new daycare year begins **Monday, June 3rd**. We have many fun things planned for our summer students with pony rides, the weekly ice cream truck, Mr. Larry the Magician, petting zoo, and Vacation Bible School for the 4K and older classes. Each week your child's class will have water day, and the ice cream truck comes every Tuesday! Additionally, art class, Millie's Great Books, gymnastics, karate, and ballet are being offered during the summer months, provided there is enough interest. There will be flyers about these extra-curricular activities coming home to our Daycare families soon.

We cannot believe it is time to say goodbye again! Many of our students came to us as a two-year-old, and now it is time for their next big step to move on to "big school". Thank you for letting God's House be a part of your family during your child's early years. We wish the best to all our fours and fives who are moving on! May the Lord bless you and your families throughout this summer and coming year.
