

FEBRUARY

newsletter

Dear Families,

The new year has gotten off to a great start in both our preschool and kindergarten classrooms. Even on cold days spent indoors, the children have embraced creative ways to stay active and engaged—especially enjoying the obstacle courses Mrs. Kayla has designed during music time, along with many other fun activities.

As we look ahead to February, we are excited to continue teaching the children about God’s love through learning, play, and faith-filled moments each day. We’re also looking forward to a special visit from a dentist on February 5th, who will talk with the children in celebration of National Children’s Dental Health Month. Additionally, we’re excited to host an online book fair with StoryGlory Kids from February 2–9, a faith-based organization that thoughtfully selects wholesome, high-quality books without concerns about gender or sexual identity.

As some of you know, every year we host a fundraiser in April called the Art Show. This is a wonderful opportunity for parents to come together and support GHK. For those who are new, the Art Show includes balloon art by Mr. Larry, bouncy houses, a bake sale, Chick-fil-A, a silent auction, and more! All donations go toward scholarships, playground equipment, and classroom needs. This is our only large fundraiser of the year, and we ask that all parents participate. Each class will have a themed basket that will be auctioned off, so please begin thinking of companies or contacts that may be willing to donate items for our silent auction.

We are so grateful for the many families, donors, and volunteers who come together each year to make the Art Show possible. Your generosity and willingness to serve are a true blessing to our school community and a beautiful reflection of God’s love in action. “Let all that you do be done in love.” —1 Corinthians 16:14

With gratitude,
Sky Macrory
