

OCTOBER KINDER KAPERS

COMMUNITY
HELPER
MONTH

Dear parents,

We hope your children are enjoying God's House as much as we are enjoying having them here. Getting to know your children is the highlight of the year, and we are so thankful that you entrust your children to our care each day.

With October being Community Helper Month, we are excited for the many visitors that are coming to see us. We have visits scheduled from the firemen, a police officer, a pastor, a surgeon, a CRNP, an Allergist, a CRNA, and James Spann, the ABC3340 Weatherman. Children have the opportunity to dress up during our community Helper dress up days on **October 28th & 29th**. They also may dress up in their costumes on **October 31st**, but no scary costumes allowed! Your child's teacher will send a reminder later in the month, so please check their folders!

Sickness is inevitable at school, but we can do our best in trying to limit the spread as much as possible. If your child does become sick at school (fever, diarrhea, vomiting, or other contagious illness), you will be contacted right away and asked to come get them. Please remember that any child who leaves school due to sickness **must be symptom free without medicine for 24 hours** before returning to school. You may also return with a doctor's note stating that your child is not contagious. We appreciate your help in preventing the spread of illnesses!

*Bloom Pediatric Occupational Therapy will be doing speech and occupational testing **October 7th & 8th**. Forms were sent home in your child's folder for signing up. If you would like more information please contact the office.*

Carpool note—Safety is our number one priority when it comes to your children, and we ask that you please wait for a staff member to help get your child out of the car during carpool. Please have your student ready to unload on *the passenger side* of your vehicle. Morning drop off carpool times are **8:50-9:10**; Carpool pick up is **11:50-12:00**. If it is past 9:10 or **12:00** then you must walk inside to drop off or pick up!

Please take note of your child's **4K/5K FIELD TRIP DAYS**. Information will be sent home in their folders. You are responsible for driving or finding your child a ride to and from the field trip. If you are unable to acquire a ride we will not be able to provide childcare for them during that time. Field Trips are always a favorite with the kids and parents.

We are thankful for the month of October, and the opportunity to teach the children about the men and women who serve our community so well in different capacities. In the same manner we teach them about the ultimate servant Jesus Christ, and how we should exemplify him in the way we serve others.

May we be reminded of God's sacrificial love for us everyday.

In Christ,

Susan Coxhead

Susan Coxhead, Director of GHK
