

NOVEMBER KINDER KAPERS

Oh give thanks to the LORD for He is good; for his steadfast love endures forever! 1 Chronicles 16:34

A Note from the Director: Susan Coxhead

Dear Parents,

Thanksgiving is right around the corner and we want extend our gratitude to all the community helpers who came and spoke to the children in October. This is always a favorite with the children and teachers. They loved learning about what these men and women do in their day-to-day to serve the community so well!

We started off the month with the local Dolly Ridge Fire Department who are always diligent to come each year, teaching the kids what to do in case of a fire and to never be afraid of the firemen! The kids always love when a familiar face pops in and so we thank Joseph Grant's father, Orthopedic Surgeon, Dr. Patrick Peavy for coming, Charlotte and Campbell's Uncle, Officer Thompson, Mrs. Silena's husband, AVPC Youth Director, Clint Cvacho, as well as Frances' mother, Jamie Holmes, CRNP. They learned about broken bones, police cars, God's word, and nursing. We also want to thank Caldwell Mill Animal Clinic with their sweet pup Violet, and Police Officer Lee Tibbetts with his K9 Thunder. We also had ABC 33/40 Meteorologist James Spann, teaching them about how storms are a blessing from the LORD and how to stay safe during them. We are so thankful for the learning opportunities these community helpers provided for our students.

On an administrative note please be sure to keep a jacket in your child's bag at all times and **label** your child's jackets as well as gloves, hats and water bottles. We want to make sure everything goes home to the right place!

Please take note of God's House's annual thanksgiving feasts which will be held on Wednesday and Thursday, November 15th and 16th. The children have been working hard memorizing their bible verses and are excited to show their families. Parents will be asked to bring an item so please sure to check your child's folder as sign up sheets will be going out.

We are so thankful for everyone at God's House and as we all go our different ways on thanksgivings we pray that we all are united in praise and adoration of our LORD and Savior Jesus Christ and what he was done for us. May you all have a wonderful November.

Blessings,

Susan Coxhead
