

November Kinder Kapers 2024

Dear Parents,

We want to extend our gratitude to all the local community helpers who came and spoke to the children in October. These men and women serve our community so well, and we are very thankful for them!

We started off the month with the local Rocky Ridge Fire Department who are always diligent to come each year, teaching the kids what to do in case of a fire, and to never be afraid of the firemen! The kids always love when a familiar face pops in, and so we thank Virginia Hollis' Dad, Dr. Bob Hollis for coming, Ben Kinkade's uncle, Officer John Davis, Callaway Runyans' mom, Aereal Runyans (CRNA), Thomas Ogle's dad, Trey Ogle (construction), Henry Polcari's dad, Michael Polcari (Allergist), Shepherd Harris' dad, Pastor Blake Harris (AVPC), as well as Frances' mother, Jamie Holmes (CRNP). The children learned about surgery, police cars, building, God's word, and nursing. We also had ABC 33/40 Meteorologist James Spann teaching them about how storms are a blessing from the LORD and how to stay safe during them. We are so thankful for the learning opportunities these community helpers provided for our students.

Speaking of thankfulness, Thanksgiving feasts are scheduled for **Wednesday, November 20th & Thursday, November 21st**. Parents will be asked to send an item with their child for the feasts. Before they eat, the children will sing songs that they have been working on with Mrs. Sky; parents are welcome to come so please be in the GHK fellowship hall on time! Be checking your children's folders or reaching out to their teacher for more information.

Please mark your calendars for the 4K & 5K Christmas Program on **December 18th** at **10:00 AM**. Parents will be asked to bring something for the reception; please be sure to check your child's folder for more information.

The holidays are a great time to reflect on God's goodness to us; one way that we can extend the love of God to others is through giving. The children will have the opportunity to give as we partner with Altadena Presbyterian Church by donating Christmas shoe boxes for Sacred Road Ministries. More information will be sent home in your child's folder.

May God bless you all during this holiday season!

In Christ,
Susan Coxhead
